"QUAL"

QUALITY and OTHER REGULATIONS: By acceptance of this Purchase Order, Contract or Agreement, the Supplier verifies that at the time of the offer, the representations of its size and socio-economic status, whether by written form (self-certification) or suppliers representations in the System for Award Management (SAM) database, are current, accurate and complete as the date of the offer of this order. The Supplier hereby agrees to carry out the policy in the awarding of additional lower-tier subcontracts, to the fullest extent consistent with efficient contract performance in accordance with FAR Clause 52.219-8, Airbus Helicopters General Requirements for Suppliers ER070-06-01 (incl. its Addendum AHI/AHCA Supplier Quality Requirements QA/06-02-F04) and Airbus Helicopters Logistics Conditions ER150-09-003, both latest applicable revisions.

The Supplier represents that it maintains an effective and verifiable export/import control compliance program in accordance with all applicable Trade Control Regulations.

Upon Buyer's request, Seller shall provide Buyer with any export control classification of any Deliverable and provide ECCN Form(s), as required.

For a full list of terms and conditions applicable to this Purchase Order, Contract or Agreement, supplier shall review the AHI Supplier Portal located at:

<https://www.airbus.com/us/en/helicopters/be-an-airbus-helicopters-inc-su-pplier.html>

By acceptance of this Purchase Order, Contract or Agreement, the Supplier verifies that it is in compliance with all applicable referenced terms and conditions and will abide by the Supplier Code of Conduct.

"COC"

CERTIFICATE OF CONFORMANCE: Each shipment must be accompanied by one (1) legible copy of a statement that certifies that items/raw materials comply with P.O. requirements and/or have been produced from materials on which the supplier has available tangible evidence of conformance. Distributors, not accredited under FAA Circ. 00-56, must

provide manufacturer's/mill's certification. All certifications must be signed by a legally authorized representative of the company.

Delivery Documentation: Supplier is required to provide proper documentation with every shipment where offered:

- *,,Delivery Note
- *,,Certificate of Conformity (mandatory)
- *,,Authorized Release Certificate (if required)
- *,,First Article Inspection Report (if required)
- *,,Log Card (if required))
- *,,Acceptance Test Report (mandatory for all "build to spec" items)
- *,,Burn Certs (if required)
- *,,User Guides (if required)
- *,,Concessions (if any) in written form
- *,,Completed QN (if provided for rework/revalidation)
- *,,Shop Report (for maintenance activities)
- *,,Flight Manual Supplement (if applicable)
- *,,Master Drawing Data Package (if applicable)
- *,,Equipment Products Manual (if applicable)
- *,,STC Data Package (if applicable) with permission letter (if applicable)
